

## 2017 Street Reconstruction Project

**May 26, 2017**

### Have a Question?

Throughout the project our team will keep you updated with these periodic newsletters and door hangers. If you have questions that are not answered here, we invite you to reach out to us using the contact information provided below.

Project Contacts	
Dane Ekdom Construction Inspector dekdom@wsbeng.com	(612)749-2697
Nick Preisler Construction Manager npreisler@wsbeng.com	(612)269-3706
Lee Gustafson City Engineer lgustafson@wsbeng.com	(763)762-2821

### Construction Begins June 1st

On June 1st the Contractor will install construction signs throughout the project site. Once the construction signs are up the Contractor will begin removing trees, pavement, portions of driveways disturbed by the new sidewalk, and storm sewer structures.

### Tree Removals

Last week, trees that are scheduled for removal were marked with pink ribbon. Please walk your property to make sure you are aware of any tree removals that will occur adjacent to your property. It is expected that tree removals will begin as early as June 2nd.

### Sprinkler Systems & Invisible Fences

If you have a sprinkler system or an underground invisible pet fence on your property, please contact Dane, the project's construction inspector. He will provide you with flags that you can use to mark the locations of these items.

### Street Parking

Vehicles parked on the street during working hours make it difficult for the Contractor to work safely and can cause delays to the project. We understand that some residents need to park on the street and we will do our best to work with you individually to accommodate street parking. The Contractor will be periodically placing "No Parking" signs when a particular activity can't be performed with vehicles parked on the street. Please stay alert for these signs as their locations can change daily.

### Project Website

These newsletters will be posted online and can also be found on the City's website at:
