Osseo Police Welcomes New Addition

Hello, I'm Officer Peter Renteria. I am excited to introduce myself as the newest part-time officer of the Osseo Police Department. I grew up in West St. Paul, MN. My family has been involved in law enforcement since the 1940s. I attended college at Winona State University where I received my Bachelor's Degree in Sociology: Criminal Justice with a Minor in History. I then attended Alexandria Technical College for Police Academy training in the Summer of 2015.

Officer Peter Renteria

I am blessed to have the opportunity to work for the City of Osseo. I believe as a community we can work together to keep Osseo a safe place to live and work. I look forward to serving the community and meeting all the great people of Osseo.

Sincerely, Officer Peter Renteria

From your Chief

As we head into summer, I wanted to tell everyone to enjoy the weather, but do so responsibly. As the weather warms up, so does our call load. Please make sure you are locking your doors, taking everything out of your cars parked outside, and picking up all the items from your yard at the end of the day. The Osseo Police Department will be actively patrolling the streets, but we cannot be everywhere. If you hear or see anything that is out of place, please call 911 and have an officer check it out. Together we can crush crime in this great city of ours!

Chief Shane Mikkelson

I also wanted to notify everyone of a new program that we will be starting within the police department called "Cup with a Cop." Once a month we will have an officer in one of our coffee shops in town for one hour. That officer will be available for anyone to stop by and talk about any issue or answer any questions. Our first "Cup with a Cop" will take place on June 8th from 8am to 9am at Luna's Specialty Bakery at 319 Central Ave. I hope to see you there!

Thank you, Shane Mikkelson
