RECYCLE GLASSES & HEARING AIDS

The Osseo Lions Club will be on site collecting used Eyeglasses, Sunglasses, and Hearing Aids. Lions clubs collect millions of eyeglasses each year to address the need for glasses, making eyeglass recycling one of its most popular activities. For children, clear vision means a better education, healthier development, and a better quality of life. For adults, it means greater employment opportunity and economic strength. For seniors, it means less dependence on others. The donated hearing aids will be shipped to a regional Lions Hearing Aid Recycling Center where many will be refurbished for a recipient in need. Other aids will be distributed to teams of hearing care professionals and other volunteers for use during health care missions in developing nations. Thanks to the Lions for partnering with the City of Osseo on Clean-Up Day!
